

**Re: Napa to Sonoma – Wine Country Half Marathon on July 17, 2005**

Dear Residents and Businesses of Southern Napa County:

The Napa to Sonoma - Wine Country Half Marathon will be held the morning of Sunday July 17, 2005 starting at 7:00 am at Buchli Station Rd and ending at 10:00 am in downtown Sonoma. This event benefits Hanna Boys Center and is managed by Fogcutter Productions and US Race Series. CHP, Sonoma Sheriff and numerous volunteers will be stationed along the course, which will be marked with cones and signage. This route has been selected for its beautiful scenery and because we expect it to have minimal impact on residents and traffic in Napa Co..

We encourage residents along the route to support the runners and race walkers as they pass through your neighborhood. The racers appreciate any encouragement they can get, especially early in the morning on a quiet country road. Volunteers are still needed, so if you'd like to be a course monitor in your neighborhood (or other volunteer position) please email us at [infowc@usraceseries.com](mailto:infowc@usraceseries.com) and we will provide you with the necessary volunteer instructions and a volunteer t-shirt. Our primary concern is keeping cars safely off the course route during the designated closure times.

We have listed the designated times for when runners will pass through your area. In some cases, roads will be temporarily closed to non-emergency traffic at least 20 minutes prior to those times and will be re-opened by CHP and Police after the final runners have safely moved on. Please make a note to avoid driving during these times. If there is an emergency situation that requires attention during these times, course volunteers, CHP and/or Fire and Medical will provide assistance. Please do not schedule any garage sales for early Sunday morning.

We appreciate your consideration and look forward to a successful event on July 17, 2005.
