Dear Mr. Hanson:

On May 20, 2014 the Napa County Board of Supervisors voted to appoint Phillip M. Miller, PE, a member of the Public Works Department management team, to the Upper Putah Creek Watershed Watermaster Advisory Committee (WAC).

We wish to extend our gratitude for your serving on the WAC since 1999 on Napa's behalf and for helping in the settlement that created the Watermaster process. We hope that you and the other representatives of water rights holders continue to monitor the Watermaster's work and provide guidance to the WAC.

Sincerely,

Mark Luce  
Chairman  
Napa County Board of Supervisors
