I am currently not married.

*Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute:

By working throughout Napa County in various locations I am constantly reminded how water is such a valuable resource. I am a firm believer in water management and would be glad to help inform the public as well as private entities the importance of water conservation. I feel that vineyard management practices can be an example of water conservation at its best.

I have lived in the Napa Valley my entire life. I have seen it change; some good changes and some changes that I see detrimental to the Napa valley that I grew up in. I would like the opportunity to help keep Napa, Napa. I am now 29 years old and do not ever plan to leave this beautiful place.

Thank you for the opportunity to apply for this position.
