Hello Gladys,

I respectfully submit for your consideration my application for the MTC Board vacancy.

I have served on NCTPA continuously since 2004 as a Director and a term as Chair. This experience has given me a thorough understand of the transportation issues that all jurisdictions in Napa County face. During my tenure I have worked with my colleagues to support initiatives to funding of local and regional needs. This effort also included working with our state and federal representatives as well as local civic and business leadership. Currently I also serve on the Executive Board of ABAG. This has given me the opportunity working with Board to understand and address the Bay Area regional impact of development on transportation and its effect on the economy. Planning strategies to reduce traffic congestion are part of the Plan Bay Area prepared ABAG.

I ask for your support as colleagues on the City Selection Committee.

Leon Garcia
