Subject: MTC appointment

Importance: High

Michael and Gladys,
Please share my application for the MTC board seat with our City Selection Nominating Committee members.

I respectfully submit my name for consideration to the new term on the MTC board for Napa County. I understand Supervisor Mark Luce has filled in to complete now-Assemblymember Bill Dodd's vacated position and he has served on MTC as the ABAG appointee. I will not discount the commitment and experience Supervisor Luce has provided representing Napa County. However, I also must note that it's been more than 32 years since a non-Napa County Supervisor has been our representative on MTC. We have a wide range of issues that concern all of our jurisdictions, and I believe a fresh perspective would be advantageous so that we confirm the direction of MTC is in all of our best interests. MTC's mission is stated as "planning, financing and coordinating transportation for the nine-county San Francisco Bay Area". It's dangerous to allow the same people, with the same individual interests, to make such global decisions without reconsideration and new perspectives. Having served on NCTPA for about eight years, including as the current Chair, I have received valuable experience regarding our local transportation needs. I also understand how we need to integrate our needs with our regional partners. I feel like some of MTC's efforts move forward with little or no true review or challenge. Special interests and favoritism skew plans that absolutely impact us here in the unique demographics of Napa County. I appreciate your consideration and would serve with dedication and commitment to our entire county. Thanks,
John Dunbar
