*Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute:

As the manager of Prevention services for Napa COE, I oversee the Tobacco Use Prevention Education and Catalyst Coalition Projects. Our work targets school-aged youth who are forming opinions and ideas about tobacco and other drugs, and are at the vulnerable age of first experimentation. Education, skills and appropriate role models regarding risks of involvement have proven to positively impact choices, this is most effective when schools & community work together.
