*Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute:

As a senior citizen, I feel that I am very familiar with the concerns of older adults. Also, I believe that I would be an asset to the Commission, because I can show by example how a positive attitude contributes to a better quality of life, in regards to one's social, physical, and emotional well being. Furthermore, I feel that I can empathize with seniors regarding some of the problems they may encounter as they transition from one life style to another. Moreover, I believe that if one has been given good things in life, I believe that one must give good things back.
