Dear Mary Jean;

The Executive Committee of the Napa County Child Care Planning Council met on May 26, 2004 to review and recommend applicants for Council membership. Eight applications were received, each one representing unique and valuable assets to the Council. In accordance with our contract mandates, we seek to assure the membership of the Council is reflective of the ethnic, racial, and geographic composition of Napa County. Additionally, members must be selected from five categories of representation: Child Care Consumer, Child Care Provider, Public Agency, Community Representative, and At Large. With these considerations in mind, the following applicants have been recommend by the Executive Committee for appointment by the Napa County Board of Supervisors:

Consumer:

Bonnie Parsons Mitchell

Public Agency:

Teresa Zimny (*incumbent*)

Community Representative:

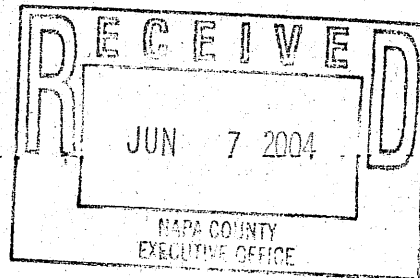

Marla Wiggins

Child Care Provider

Luz Covarrubias Melgoza

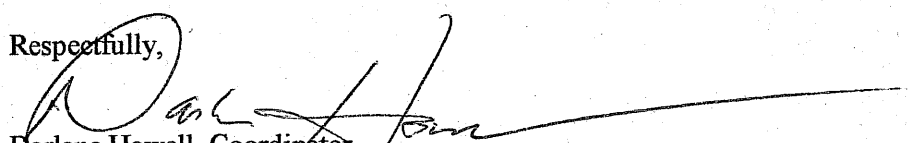

At Large

Please contact me if I can provide you with any further information or assistance.

Respectfully,
