The fees set forth in this Part shall be paid prior to processing the application for the permit or franchise. No such permit, franchise, or other document shall be accepted for filing unless the fees are paid at that time. Fees are either (1) a one-time fixed payment (flat fee), or (2) based on actual cost of staff time utilizing a standard hourly rate for the department which incorporates the overall cost of the County to provide this service (hourly fee). Actual time shall be billed to the nearest half hour after the first hour, and a two (2) hour minimum payment shall be deposited with the application or service request submittal. Further deposits may be required pursuant to the estimated time to process the request for service. Excess fees shall be refunded when the services have been completed. The Public Works Director will provide a reasonable estimate of the cost of service paid by the standard hourly rate prior to the service being provided. All such fees shall be paid to the Public Works Department unless otherwise indicated. No part of any fee shall be refundable unless otherwise indicated. Unless specifically noted, governmental agencies and non-profit organizations are not exempt from these provisions. Additional fees associated with review and inspections may be collected by the Department pursuant to other sections of the Fee Policy Manual.
