A Tradition of Stewardship  
A Commitment to Service

**THE BOARD OF SUPERVISORS | NAPA COUNTY, CALIFORNIA**

## **National Surveyors' Week in Napa County, March 19-25, 2017**

**WHEREAS**, surveying is an essential element in the planning and execution of nearly every form of construction, with its most familiar uses in the fields of transportation, building construction, communications, mapping, and the definition of legal boundaries for land ownership; and

**WHEREAS**, in order to accomplish their objectives, surveyors use elements of engineering, physics, mathematics, astronomy, law, and history, along with sophisticated surveying equipment and techniques, including satellite-borne remote sensing devices and automated positioning, measuring, recording, and plotting equipment; and

**WHEREAS**, since the colonial days of the United States, surveyors have been leaders in the community, influential citizens, and shapers of cultural standards. Former notable surveyors include George Washington, Thomas Jefferson, Abraham Lincoln, Daniel Boone, and Henry David Thoreau, among others; and

**WHEREAS**, the establishment of the week of March 19-25, 2017 as National Surveyors' Week is a fitting tribute to all surveyors.

**NOW, THEREFORE**, I, Alfredo Pedroza, on behalf of the Napa County Board of Supervisors, do hereby proclaim the week of March 19-25, 2017, as National Surveyors' Week in Napa County.
