Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

As a veteran I have benefited with use of a Cal Vet Loan. Finishing my BA degree and acquiring my first two teaching credentials with of money from VA. Recently I have had some assistance with minor medical needs through the VA. I am fortunate. There are veterans in this

county who need to be made aware of the variety of services open to them. As well as mental health programs such as the Pathway Home at the Vets home. As well as some businesses in the community give Veterans a discount. I feel this program can and should be expanded. Veterans don't want a handout. Just an arm around the shoulder by a brother or sister and to be pointed in the direction to help themselves. Napa County has good programs. I'm sure you would agree there is always room for more?
