Name and occupation of spouse within the last 12 months, if married. Julie Logue Riordan

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

As a Veteran (Marine Corps 1970-1973) with a 10% disability upon discharge; and, growing up surrounded by people who worked or were cared for by the V.A. (my father, sister, best friend) I felt it's ability to address the Veterans' needs was always lacking money, talent and resources to reach the many Veterans in need. Then, In 2010 I spent a year in Afghanistan embedded with the 101 Airborne Div. working with them as a Law Enforcement Professional. As such I saw many young men and women who were leaving Military Service and had no idea of the resources that could help them on the outside. Now with some time on my hands I would like to contribute whatever I can to help these young individuals and those who are still suffering from our conflicts in the past..
