Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.

I believe that I am uniquely qualified to serve on this board for several reasons. 1) I am a veteran. 2) Have worked to both understand, and help fund, many VSO's in the bay area (Monterrey Bay Veterans, Pathway Home, and Wooden Boats for Veterans); Nationally I have worked with Wounded Warrior Project, Congressional Medal of Honor Foundation, Gary Sinise Foundation, Navy Seal Foundation, Special Forces Foundation, and many others. 3) I have worked in the defense sector for all

of my career since departing the service of the nation; and I have focused on preparing and hiring veterans who have departed the service for the civilian workforce. Veterans deserve servants who understand and honor them, and at the same time bring perspective the the sacrifices that these men and women have made in service to the Nation.
