Re: Dirk Fulton/Lazy Susan Vineyards Use Permit #04065-UP  
Appeal of Partial Denial of Road Modification Request  
263 Petrified Forest Road, Calistoga (APN 020-430-006)

Dear Robert:

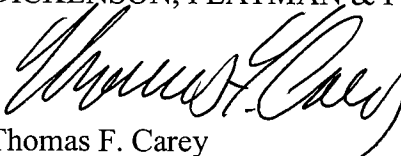

This office represents the appellant in the above-referenced matter. By this letter, we hereby withdraw our appeal, which currently is scheduled for the May 2, 2006, Board of Supervisors meeting.

We understand that the Board has directed County staff to prepare revisions to the County's Road and Street Standards road modification procedures and that the appellant may choose to modify his use permit conditions subsequent to approval under the new standards and procedures if they are ultimately adopted by Board.

Please call me if you have any questions.

Sincerely,

DICKENSON, PEATMAN & FOGARTY
