--	--

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.	For the past 13 years, I've become personally and professionally invested in the arts of Napa Valley. I have decades of experience working in the field, being a member of many grants panels regionally and nationally, and, for the past three years, running a nonprofit in partnership with my husband, Morrie. As a writer about the arts, I've discovered a wealth of arts activity burgeoning all around us and that continues to grow and thrive. I believe I can be a fair panelist with a breadth of knowledge that has come from working in the arts locally, attending the arts throughout the Napa Valley and being both a champion of and cheerleader for all arts disciplines.
