Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.	Art is a universal language that brings communities together. I have served the art community creating, teaching and fundraising in several cities around the country including Dallas, Chicago, Seattle, Marblehead, MA and Sanibel, FL. Six years ago, Napa became my full time home; I consider that a tremendous blessing. This position would be a great opportunity to contribute my experience and expertise with my community. I am creative, reliable, outgoing and passionate about beauty and well-being. Please come visit me at Open Studios this year, Studio 13!
