Special Education Services (707) 259-5904 Below is a signature of head of our local County government reflecting that partner's commitment to sustainability and continuous improvement of school emergency and disaster planning for all schools in Napa County, and support for the Napa County Office of Education (NCOE) application for the Emergency Response & Crisis Management Grant application offered by the United States Department of Education. The County of Napa actively supports:

- The principles defined in the attached document, "COMMITMENT TO SCHOOL EMERGENCY AND DISASTER PLANNING BY NAPA COUNTY LOCAL GOVERNMENT ENTITIES."
- Continued service of County government representatives on the countywide School Emergency Advisory Council (SEAC), and/or local school district School Emergency Management Group(s) (SEM Groups), and to assist with integration of school Emergency Response Plans (EOPs) into the County Emergency Operations Plan;
- Continued access of NCOE staff to collaborate with specific County Departments, (e.g. Emergency Services Manager, Health and Human Services Agency, Public Health Division, Sheriff's Office, Fire Department, Public Works, Information Technology Services, and Communications); and
- Continuing to provide emergency and disaster management training and other support for school districts and schools through the County Emergency Services Manager, Public Health Division, Sheriff's Office and Fire Department.
