

NEIGHBORHOOD NOTICE:**Re: Napa to Sonoma – Wine Country Half Marathon on July 16, 2006**

Dear Residents and Businesses in Carneros region of Napa County:

The Carneros Wine Country Half Marathon will be held the morning of Sunday July 16, 2006 starting at 7:10 am at Domaine Carneros Winery and ending at 10:00 am in downtown Sonoma. This event benefits Hanna Boys Center and is managed by Fogcutter Productions and Destination Races. CHP, Sonoma Sheriff and numerous volunteers will be stationed along the course, which will be marked with cones and signage. This route has been selected for its beautiful scenery and because we expect it to have minimal impact on residents and traffic in Napa Co.

Please note the course now starts at Domaine Carneros instead of Bouchaine winery. Volunteers are still needed, so if you'd like to be a course monitor in your neighborhood (or other volunteer position) please email us at raceinfo@destinationraces.com and we will provide you with the necessary volunteer instructions and a volunteer t-shirt. Our primary concern is keeping cars safely off the course route during the designated closure times.

We have listed the designated times for when runners will pass through your area. In some cases, roads will be temporarily closed to non-emergency traffic at least 20 minutes prior to those times and will be re-opened by CHP and Police after the final runners have safely moved on. Please make a note to avoid driving during these times. If there is an emergency situation that requires attention during these times, course volunteers or CHP will provide assistance.

We appreciate your consideration and look forward to a safe and successful event on July 16.
