**Sec. 110.010. Imposition of Fees**

The fees set forth in this Section shall be paid at the time of filing the application or other document for the permit or license indicated. No application shall be accepted for filing unless the fees are paid at the time of application. No part of any fee shall be refundable unless otherwise indicated. Unless specifically noted, governmental agencies and non-profit organizations are not exempt from these provisions. All such fees shall be paid to the Department of Planning, Building and Environmental Services = unless otherwise indicated.

**Sec. 110.015. Refund of Fees**

- (a) Fees for construction may be refunded upon request of the applicant, within 1 year of the permit issuance, if none of the construction has occurred and the permit has expired. The Department shall retain a processing fee of 25% of the total fee.
- (b) For annual permits, a 50% refund of the permit fee will be given if the facility has permanently closed and a written request for a refund is received in the Department within 90 days of the effective date of the permit.

**Sec. 110.020. Delinquency Penalty**

- (a) Any fee not paid by the delinquency date shall be increased by twenty-five percent (25%). This penalty also includes failure to file for an initial operating permit, such as failing to file a new or replacement hazardous materials business plan, underground storage tank operating permit, or other similar submittal upon commencing operations or within 30 days following a change of ownership. The Department may also use other mechanisms, such as Administrative Enforcement Orders where warranted due to repeated violations or lateness beyond 60 days.
- (b) Any persons who shall commence any work for which a permit to construct is required by the Napa County Code or other applicable code, without first having obtained a permit or plan approval therefore, if subsequently permitted to obtain a permit or plan approval, shall pay double the permit fee, provided, however, that this provision shall not apply to emergency work when it shall be proved to the satisfaction of the Administrative Authority that such work was urgently necessary and that it was not practical to obtain a permit before commencement of the work. In all cases, a permit must be obtained as soon as it is possible to do so, and if there be an unreasonable delay as determined by the Director or other Administrative Authority in obtaining such permit, a double fee as herein provided shall be charged.
