The Town Council finds that:

2. Elections Code section 12111 requires publication of a synopsis of any measure to be voted on in a municipal election.
3. Elections Code section 12105 requires publication of a list of polling places designated for each election precinct.
4. The Town Council also desires to provide for other administrative details of the election.

Now therefore, the Town Council of the Town of Yountville does resolve as follows:

In the event the estimated payment is required, the estimate is just an approximation of the actual cost that varies from one election to another election and may be significantly more or less than the estimate, depending on the actual number of candidates filing statements. Accordingly, the clerk is not bound by the estimate and may, on a pro rata basis, bill the candidate for additional actual expense or refund any excess paid depending on the final actual cost. In the event of underpayment, the clerk may require the candidate to pay the balance of the cost incurred.
