Community Participation

I have run a Rescue in Napa for literally 42 years. Saving, rehabbing , training and re homing strays. I evaluate owners dogs that have aggression issues and determine their fate, as well as rehab and train them, reconditioning their brains to behave properly (if in fact they are not “ aggressive” just poor behaviors. I also train the people / owners to understand dog behavior and their abilities or inabilities to think. I am their dogs last hope for life , or no life. I have been doing this for 36 years. I have worked with many if the vets in the Napa valley and could absolutely provide many more references.

For Conflict of Interest purposes

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.*

I wish to serve this because I feel very confident that I can fill this position as I am very qualified. I have the experience and knowledge about animal behavior and aggression. I have the past 36 years been evaluating , rehabbing and training dogs that have aggression and bad behaviors. This has presented me with year of experiences and the knowledge to have to make hard calls when it comes to the reality and importance as to the safety of all others. I ALWAYS put that first. I feel that my back ground and experiences have given me the perfect skills to take this position and do it responsibly. I love what I do and I am very passionate about dog behavior. It's been my life and careers for 40 years and I feel that I have a lot to offer. My knowledge could benefit our town , helping it to be a more safe and dog friendly town.
