# HOSPITALIZATION DATA

<i>Updated 5/17</i>	Cumulative Number	Percent
<b>Hospitalized</b>	<b>10</b>	<b>10.9%</b>
<b>ICU</b>	<b>6</b>	<b>6.5%</b>
<b>Ventilation</b>	<b>3</b>	<b>3.3%</b>
<b>Died</b>	<b>3</b>	<b>3.3%</b>
<b>Cases</b>	<b>90</b>	

# CA RESILIENCY ROADMAP SECTORS BY STAGE

## Stage 1

- Build out testing and contact tracing capacity
- Make essential workplace as safe as possible: PPE, physical and behavioral adaptations
- Prepare sector by sector guidelines for expanded workforce

## Early Stage 2

- This is where we are now
- Gradually open retail, manufacturing, offices and more public spaces with adaptations
- Modified school and childcare opens
  - Address learning gaps
  - Protect students and staff
- Get more people back to work

## Stage 3

- Open higher risk workplaces with adaptations and limits size
- Personal care, gyms,
- Entertainment venues (limited audiences)
- In-person religious services (churches and weddings)

## Stage 4

- Concerts, convention centers, live audience sports
- Requires therapeutics

<https://covid19.ca.gov/roadmap/>

# CURRENT STAGE 2 ALLOWABLE ACTIVITIES

## Activities included now

- Expanded retail with outdoor pickup and associated manufacturing and logistics (e.g. bookstores, jewelry stores, toy stores, clothing stores, shoe stores, home and furnishing stores, sporting goods stores, antique stores, music stores, florists)
- Personal services, limited to: car washes, pet grooming, tanning facilities, housekeeping and janitorial, landscape gardening, appliance repair, plumbing.
- Office-based businesses (telework remains strongly encouraged)
- Outdoor museums; Childcare

## NOT included at this time

- Destination retail, including shopping malls and swap meets.
- Dine-in restaurants (excluding bars and gaming areas)
- Schools
- Open gallery spaces

# NOT IN STAGE 2 YET

## Stage 3 or Stage 4

- Personal services such as nail salons, tattoo parlors, gyms and fitness studios
- Hospitality services, such as bars, wineries, tasting rooms and lounges
- Entertainment venues, such as movie theaters, gaming, gambling, and arcade venues, and pro sports, indoor museums and gallery spaces, zoos, and libraries
- Community centers, including public pools, playgrounds, and picnic areas
- Religious services and cultural ceremonies
- Nightclubs
- Concert venues
- Live audience sports
- Festivals
- Theme parks
- Hotels/lodging for leisure and tourism

# OLD ATTESTATION EPIDEMIOLOGIC INDICATORS

Napa County	
<i>Updated 5/17</i>	
No more than 1 case per 10000 in last 14 days	1.09 per 10,000
No more than 0 deaths in the last 14 days	1

First attempt on 5/14→ Not posted

# NEW ATTESTATION CRITERIA DIFFERENCES

## Old Criteria

- One case per 10000 in last 14 days
- No deaths in past 14 days

## New Criteria

- Stable hospitalizations of COVID individuals on a 7-day average of daily percent change of less than 5% -OR- no more than 20 COVID hospitalizations on any single day in the past 14 days
- Less than 25 new cases per 100,000 residents in the past 14 days -OR- less than 8% testing positive in the past 7 days
- COVID-19 Surveillance testing plan
- More detailed SNF plan: testing, cohorting, infection control, access to PPE; staffing shortage contingency plans; and facility communication plans

# NEW ATTESTATION EPIDEMIOLOGIC INDICATORS

## Napa County

*Updated 5/17*

**Less than 25 new cases per 100,000 residents  
in the past 14 days**

**11 per 100,000**

**Stable hospitalizations of COVID individuals  
on a 7-day average of daily percent change of  
less than 5%**

**0**

**Less than 8% test positivity over past 7 days**

**0.5%**

**No more than 20 COVID hospitalizations on  
any single day in the past 14 days**

**1**

# SURVEILLANCE TESTING STRATEGY

- Test all case contacts regardless of symptoms (5-16 tests daily)
- Skilled nursing facilities staff and residents, with repeat testing of 10% of the population every week (68 tests/week)
- Residential care facilities staff and residents, with repeat testing of 10% of the population every week (118 tests/week)
- Jail and Juvenile Hall: Test all new intakes, 20% of staff on rotating basis (29 tests every 2 weeks)
- Homeless shelter: Test as many staff and residents as possible, with repeat testing of 20% population (39 tests every 2 weeks)

# SKILLED NURSING FACILITY PREPAREDNESS

- Targeted testing and patient cohorting plans
- Infection control precautions (COVID-19 plan)
- Access to PPE
- Staffing shortage contingency plans
- Facility communication plans
- Engagement with SNF: Healthcare coalition calls, cooperator's briefings, weekly SNF call with QVMC, active surveillance calls
- Health Officer order 3/13/20 required a COVID-19 plan and restricted nonessential visitation

# SECOND ATTESTATION SUBMISSION
