For Conflict of Interest purposes

Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute.*

I have worked with aging adults the majority of my career. I am looking to retire within this next year and want to be able to continue being productive by volunteering in areas I have expertise. I feel I have a lot of experience and knowledge to offer in regards to the aging population. I also have a lot of leadership experience both in the military and in my civilian employment that could help provide direction and help guide implementation phases of decisions.

RE: Stanley R. Jones
Application for Appointment
Napa County Commission on Aging

To Whom It May Concern:

We have known Stan Jones, and his wife Dianne, for more than ten years, ever since they moved to Napa for Stan to serve as the Administrator of the Skilled Nursing Home at the Veteran's Home in Yountville.

We are very proud to write this letter of recommendation for Stan Jones as an amazing choice for appointment as a Commissioner on Napa County's Commission on Aging.

As evident from his resume, Stan has broad experience in health care administration, is a proud veteran and has always been an exceptional and highly skilled volunteer leader.

More important for our recommendation is that Stan and Dianne love living in Napa; are active members of the community and well respected in all of their relationships. We believe that Stan will be a remarkable experienced Commissioner, who will serve the Board and the Napa community extraordinarily well.

This letter of recommendation is one of the easiest we have ever written! Stan is such a gift to Napa County and we are so happy he is stepping up once more to offer his expertise to be of service to others.

Please feel free to contact us should you have any questions that could assist in your process.

Sincerely,

/s/ John and Dorothy Salmon
