Subject: Balloons Above the Valley launch permit

[External Email - Use Caution]

To the Napa County Board of Supervisors and Staff members,

I've recently come to understand that Napa County's most prestigious and revered Balloon company, Balloons Above the Valley, may be forced to cease doing business in the Valley because of a denial of a use permit previously understood to be granted with the completed improvements to the launch property.

I visit Napa County quite often and the site of the beautiful balloons with their baskets floating high above the vineyards never ceases to put a smile on my face. I have personally used Balloons Above the Valley for both personal (friends and family) and business entertainment. It does without a doubt, become one of the highlighted experiences for guests of the county to

experience.

Please grant the necessary permits to this company as it would be a tragedy to lose the immense value and wonder they bring to the Napa Valley.
