[External Email - Use Caution]

I am writing in strong support for the use of the property located at 5360 Washington Street to be permitted as a launch site for Balloons Above The Valley. Napa Valley greatly benefits from the operation of this world class attraction. Tourism, commerce, local pride and public adulation has greatly been enhanced by the over 40 years of professionalism, safety and public outreach of this highly respected company.

Your support for this secure and safe launch site will ensure continued success that benefits Napa Valley tourism, local and regional commerce, and the public good.

Respectfully yours,
Lawrence Steiner
