

PROCLAMATION

WHEREAS, all children in our community are a priority and deserve the very best care we can give them; and

WHEREAS, children who have health insurance and a regular doctor stay healthier, perform better in school, and have fewer sick days; and

WHEREAS, covering all children leads to fewer missed work days for parents and a more productive community; and

WHEREAS, health insurance for children improves regular access to primary healthcare, with fewer costly emergency room visits and lower healthcare costs for employers and taxpayers; and

WHEREAS, children who have health insurance receive more preventative care, which increases early intervention and more effective treatment, and slows or eliminates the spread of infectious diseases.

NOW, THEREFORE BE IT PROCLAIMED that I, Harold Moskowitz, on behalf of the Napa County Board of Supervisors supports and endorses insuring all children in Napa County.

Harold Moskowitz, Chair
Napa County Board of Supervisors

ATTEST:
