To the Board of Supervisors:

It is with great pleasure that I recommend Jane Matijasic for a seat on the Napa County Commission on Aging. I came to know Jane during my internship at the Veteran's Home in Yountville in the year 2000 and she continues to be a mentor to me in the field of aging ever since. As the Planner for the Area Agency on Aging Serving Napa and Solano, I have the good fortune to work with Jane again as she serves in the capacity of Per-Diem Contract Social Worker for our Multipurpose Senior Service Program (MSSP) and Linkages program, a position that requires a strong understanding of the needs of seniors, persons with disabilities, and caregivers. I have been extremely impressed by her devotion to improving support services for older adults and unwavering commitment to our clients.

Over the past year, Jane eagerly took on the role as Chair to the Commission on Aging's General Plan Ad-Hoc Committee, serving as a strong advocate for inclusion of "Elder Friendly" elements in the General plans, her dedication has been instrumental in leading the committee through this important project.

Jane also has made significant contributions in the area of Mental Health, and continues to provide the Commission with a much-needed mental health perspective. She served on the Proposition 63 Mental Health Services Act Older Adult stakeholder workgroup, and brings decades of experience as a mental health clinician to the table. I have enjoyed the opportunity to serve with Jane on the Napa County Commission on Aging, and I am pleased to support her request for reappointment to a seat on the Commission on Aging.

Sincerely,

To: Board of Supervisors

Dear Sirs or Madams:

Jane Matijasic was employed at the Veterans Home of California for six years as a clinical social worker. The Veterans Home is the largest residential geriatric center in the world.

Jane is a highly professional licensed clinical social worker who has also had a private psychotherapy practice for many years. As the Chief of Social Work Service and Jane's supervisor during her tenure here, I am pleased to give her the highest possible recommendation to serve on the Commission on Aging. Jane is a very bright and articulate professional and would be a genuine asset to the Commission on Aging.

Please do not hesitate to contact me if I may provide any additional information.

Sincerely,
