

September 2004

Dear Knoxville-Berryessa Road resident,

Your Napa County District 3 Supervisor, Diane Dillon, has asked us to inform you of our upcoming See Jane Tri Triathlon scheduled for Saturday, October 9th. We will be using the same course we have used for the past seven years for our May triathlon in the beautiful area you get to call home. Throughout our 21-year history of event production, safety has been the cornerstone of Envirosports events. Five hundred people have signed up this year to swim a half-mile in Lake Berryessa and to bike 15 miles and run 4 miles along Knoxville-Berryessa Road.

As a safety precaution, an 8.5-mile section of Knoxville-Berryessa Road (from Putah Creek Resort north to Zim Zim Creek) will be closed to non-local traffic from 9 a.m. to 12 p.m. (at the latest) on Saturday, October 9<sup>th</sup>. The Napa County Board of Supervisors has issued a permit for this road closure and the California Highway Patrol will be controlling traffic. Local traffic will be allowed on Knoxville-Berryessa Road at this time; however, the volume of cyclists and runners on the road during the event may necessitate holding traffic back for periods of time for the safety of participants. If you must drive on Knoxville-Berryessa Road during these hours on October 9<sup>th</sup>, we ask that you do so with extra caution; as many as 500 cyclists and runners will be using this thoroughfare during this time. CHP will be controlling traffic, so please respect their authority.

We appreciate your cooperation with our effort to put on a safe event. Your sharing the beautiful place you live with our participants is a gift we don't take for granted. We hope you'll join us as a spectator – or perhaps, one year as a participant – and witness the remarkable joy this event brings to our participants.

Sincerely,

David R. Horning
