*Please explain your reasons for wishing to serve and, in your opinion, how you feel you could contribute:

I have been interested in hunting and wildlife conservation since I was 5 years old. My Dad and Grandfather always taught me to respect wildlife and the environment, and I would like to focus my volunteer efforts on preserving and improving Napa County's wildlife. I belong to the California Waterfowl Association, and would like to find a way to be more actively involved in the future of Napa County. I was born and raised in this county, and my family has been here for four generations. I plan to make my home here when I return from college. I am dedicated and reliable, and feel that I could well represent other young outdoors men and women of my generation. One of my career dreams is to be a Department of Fish and Game Officer for California, and I feel that this position could help me further explore that possibility. Thank you for considering me for this position.
