Honorable Members of the Board:

I am writing this letter of recommendation for my friend, Edward Donohoe. Ed is seeking appointment to the vacancy on the Napa Sanitation District Board of Directors (Public Member). I am writing to tell you what I know of Ed's character, qualifications and suitability for this position.

I have known Ed Donohoe as a personal friend, client and fellow citizen for the last ten years. Ed is a licensed General Engineering Contractor. Ed's friend and colleague, Peter Riechers, can best testify to his technical skills in the field. I have known of Ed's work on many construction projects. His knowledge of sewage and waste water systems, Public Works construction practices, industry standards, bidding practices and contract administration would be an invaluable resource for the Sanitation District Board. Ed's experience as a contractor includes many large Public Works projects for Caltrans, the City of Vallejo, the County of Napa and the Veterans Home.

I can also attest to Ed's personal qualifications, character and dedication to public service as reasons for his appointment to this position. Ed is thoughtful, a good listener and would fit in well with the Board's deliberative process. Ed is able to work to achieve consensus in group decision making. But more importantly, he can take complicated technical information regarding construction projects and facilities that the District will deal with on a regular basis and explain them in clear and simple terms to his fellow Board members, or to District management or citizens, who do not have his technical expertise.

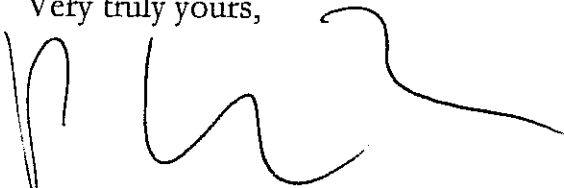

Ed has a history of dedicated public service and donating his time and labor to improving the County of Napa and supporting our quality of life. A summary of that public service is submitted with his application to the Board.

I cannot think of anyone better suited for this position.

I trust that this letter has been helpful; and I would encourage each of you to contact me if you have any questions regarding this letter or regarding Mr. Donohoe.

Thank you for your kind attention.

Very truly yours,

PAUL LOOMIS
