Project Title: Browns Valley Trunk Sewer

Project Applicant: _____

Project Location (include county): 240 South Coombs Street, City of Napa, Napa County

Project Description:

The proposed Project would include construction and operation of new wastewater conveyance facilities, including a new gravity trunk sewer pipeline and a new pump station. The District is considering modifications to the Project to replace the West Napa Pump Station rather than upgrade the existing station. This would involve abandoning the existing pump station wet wells, building new wet wells on the project site, and installing new pumps, accessory structures, and solar panels at the existing pump station site.

This is to advise that the Napa Sanitation District has approved the above
