Dear Tim

Each year Leadership Napa Valley (LNV) provides leadership development to a diverse group of community-minded individuals who want to make Napa Valley a better place to live, work, and do business.

As part of each year's curriculum, class members develop Practicum Projects intended to have a lasting positive impact on our community. Many of our 700+ graduates now serve in leadership roles in their companies, in city and county departments, on boards and commissions and are elected officials.

LNV is a community based nonprofit organization and is able to provide this leadership program with support from the community. All five cities/town in Napa Valley and Napa County support Leadership Napa Valley; we kindly ask Napa Sanitation to support our efforts this year.

As a thank you for your \$1000 Silver Membership Level, NapaSan will receive recognition on all marketing communications, an opportunity to briefly speak at an alumni event and the current class, as well as spotlights on LNV two social media posts, and recognition at Graduation Night and Practicum Night.

Sincerely
