Michael Francis & Kelly Wheaton
1335 Inglewood Avenue
St. Helena, CA 94574

Dear Michael & Kelly:

This letter is simply to let you know, in advance, that Inglewood Village Business Partners, LLC is going to apply for a condominium map on the Inglewood Village Business Park buildings. This will not be to subdivide the land but simply subdividing the air rights within each building for marketing purposes. The map will allow us to sell spaces as well as lease spaces. The land will still be owned by the LLC and the project will still be operated by the LLC. The map just gives us another way of addressing the economy and the down turn in the market place.

You have shown interest in this project in the past and we want to keep you informed. We hope you are reasonably happy with our performance thus far. Please contact me with any questions you may have. It is easiest to reach me by telephone at (209) 747-3098; email at juliesmith@softcom.net or mail at P.O. Box 98, Acampo, CA 95220.

Sincerely,

Phillip L. Smith
