

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

1. **SCOPE:** The permit shall be limited to:

- Establishment of a new, 10,000 gallon maximum per year winery (consistent with the Napa County Winery Production Process);
- Construction of a 3,613 square foot two-story winery building, a 902 square foot covered outdoor work area, 2,500 square feet of caves and conversion of an existing 1,360 square foot barn to wine barrel storage for a winery totaling 8,375 square feet;
- Hours of operation for the winery shall be limited to 6:00 AM to 6:00 PM seven day per week;
- Two full-time and two part-time employees;
- Five parking spaces including on ADA space;
- Tours and tasting by appointment only with a maximum of eight visitors per day and 56 visitors per week;
- A marketing plan with: two 20-person events per month; two 40-person events per year; and, two 100-person Wine Auction related events per year (all events to be catered);
- Installation of fire protection and winery use water tanks totaling 20,000 gallons on a 400 square foot concrete pad as shown on the plans submitted by Paul Bartelt Engineering dated September 2008;
- installation of a wastewater treatment system; and,
- approval of an Exception to the County Road and Street Standards to allow: (A) improvements and routine maintenance to be made to Friesen Drive (an existing private road that is currently 10 to 16 feet wide serving the winery) and, (B) widening the existing private winery driveway to an average of 10 to 14 feet with a 2 foot shoulder and 2 fire turn-around areas (18 feet plus two foot shoulders required for both roads).

The winery shall be designed in substantial conformance with the submitted site plan, elevation drawings, and other submittal materials and shall comply with all requirements of the Napa County Code. It is the responsibility of the applicant to communicate the requirements of these conditions and mitigations (if any) to all designers, contractors, employees, and guests of the winery to ensure compliance is achieved. Any expansion or changes in use shall be in accordance with Section 18.124.130 of the Napa County Code and may be subject to the Use Permit modification process.

2. ***MARKETING:** Marketing events shall be limited as follows:

- a. Frequency: 24 times per year
Number of persons: 20 maximum
Time of Day: 10:00 AM to 10:00 PM
- b. Frequency: 2 times per year
Number of persons: 40 maximum
Time of Day: 10:00 AM to 10:00 PM

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

- c. Frequency: 2 Napa Valley Wine Auction Events annually
Number of persons: 100 maximum per event
Time of Day: 10:00 AM to 10:00 PM
- d. Marketing events and Tours and Tasting visitation shall not occur on the same day;
- e. Portable Sanitary facilities shall be used for all events with more than 40 guests in attendance.

"Marketing of wine" means any activity of a winery identified in this paragraph which is conducted at the winery and is limited to members of the wine trade, persons who have pre-established business or personal relationships with the winery or its owners, or members of a particular group for which the activity is being conducted on a prearranged basis. Marketing of wine is limited to activities for the education and development of the persons or groups listed above with respect to wine which can be sold at the winery on a retail basis, and may include food service without charge except to the extent of cost recovery when provided in association with such education and development, but shall not include cultural and social events unrelated to such education and development. (Ord. 1104 § 11, 1996: Ord. 947 § 9 (part), 1990: prior code § 12071). All activity, including cleanup, shall cease by 10:00 PM. Start and finish time of activities shall be scheduled to minimize vehicles arriving or leaving between 4:00 PM and 6:00 PM.

The permittee shall fully comply with the requirements of the Napa County Temporary Events Ordinance (N.C.C. Chapter 5.36). No charitable or other event which would otherwise be subject to the requirements of the Napa County Temporary Events Ordinance shall be deemed to be a marketing activity simply because attendance at the event is by invitation only.

3. ***TOURS AND TASTING:**

- a. Tours and tastings shall be limited to a maximum of 8 persons/day with a maximum of 56 persons/week;
- b. Marketing events and Tours and Tasting visitation shall not occur on the same day.

"Tours and tastings" means tours of the winery and/or tastings of wine, where such tours and tastings are limited to members of the wine trade, persons invited by a winery who have pre-established business or personal relationships with the winery or its owners, and persons who have made unsolicited prior appointments for tours or tastings. (Ord. 947 § 9 (part), 1990: prior code § 12070). Start and finish time of tours and tastings shall be scheduled to minimize vehicles arriving or leaving between 4:00 PM and 6:00 PM, and shall be limited to those wines set forth in Napa County Code Sec. 18.16.030(G)(5)(c). A log book (or similar record) shall be maintained which documents the number of visitors to

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

the winery, and the dates of their visit. This record of visitors shall be made available to the Department upon request.

4. **GRAPE SOURCE:**

At least 75% of the grapes used to make the winery's wine shall be grown within the County of Napa. The permittee shall keep records of annual production documenting the source of grapes to verify that 75% of the production is from Napa County grapes. The report shall recognize the Agriculture Commission's format for County of origin of grapes and juice used in the Winery Production Process. The report shall be provided to the Conservation, Development and Planning Department upon request, but shall be considered proprietary information not available to the public.

5 **SIGNS:**

Prior to installation of any winery identification or directional signs, detailed plans, including elevations, materials, color, and lighting, shall be submitted to the Planning Department for administrative review and approval. Administrative review and approval is not required if signage to be installed is consistent with signage plans submitted, reviewed and approved as part of this use permit approval. All signs shall meet the design standards as set forth in Chapter 18.116 of the County Code. At least one sign placed and sized in a manner to inform the public must legibly and visibly include wording stating "Tours and Tasting by Prior Appointment Only" at the entrance of the property where the winery is located.

6. **GATES/ENTRY STRUCTURES:**

Any gate installed at the winery entrance shall be reviewed by the Conservation, Development and Planning Department, Public Works Department and the Napa County Fire Department to assure that it is designed to allow large vehicles, such as motorhomes, to turn around if the gate is closed without backing into the public roadway, and that fire suppression access is available at all times. If the gate is part of an entry structure an additional permit shall be required according to the County Code, A separate entry structure permit is not required if the entry structure is consistent with entry structure plans submitted, reviewed and approved as part of this use permit approval.

7. **LIGHTING:**

All exterior lighting, including landscape lighting, shall be shielded and directed downward, shall be located as low to the ground as possible, and shall be the minimum necessary for security, safety, or operations and shall incorporate the use of motion detection sensors to the greatest extent practical. No flood-lighting or sodium lighting of the building is permitted, including architectural highlighting and spotting. Low-level

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

lighting shall be utilized in parking areas as opposed to elevated high-intensity light standards. Prior to issuance of any building permit for construction of the winery, two (2) copies of a detailed lighting plan showing the location and specifications for all lighting fixtures to be installed on the property shall be submitted for Department review and approval. All lighting shall comply with Uniform Building Code (UBC).

8. ***LANDSCAPING/PARKING:**

Two (2) copies of a detailed landscaping plan, including parking details, shall be submitted for review and approval prior to issuance of building permits. The plan shall indicate the names and locations of all plant materials to be used along with the method of maintenance. **Plant materials shall be purchased locally when practical. The Agricultural Commissioner's office (707-253-4357) shall be notified of all impending deliveries of live plants with points of origin outside of Napa County.**

The location of employee and visitor parking and truck loading zone areas shall be identified along with proposed circulation and traffic control signage (if any). Landscaping and parking shall be completed prior to occupancy, and shall be permanently maintained in accordance with the landscaping plan.

No trees greater than 6" DBH shall be removed, except for those identified on the submitted site plan. Any trees that are removed shall be replaced elsewhere on the property on a 2 for 1 basis of equivalent caliper. Replaced trees shall be identified on the landscaping plan. Trees to be retained shall be protected during construction. **(*See also signed Project Revision Statement for requirements regarding Tree Replacement Program.)**

Evergreen screening shall be installed between the industrial portions of the operation (e.g. tanks, crushing area, parking area, etc.) and off-site residences that can view these areas. Parking shall be limited to approved parking spaces only and shall not occur along access roads or in other locations except during harvest or approved marketing events. In no case shall parking impede emergency vehicle access or public roads. If any event is held which will exceed the available on-site parking, the applicant shall arrange for off-site parking and shuttle service to the winery.

The landscaping plan shall also show the species type, size, quantity and growth rate of the screening materials selected. The plan shall show how the selected trees will provide a permanent screen of 50% of these areas for the off-site residences within 5 years of installation and 100% screening within 10 years.

9. **OUTDOOR STORAGE/SCREENING/UTILITIES:**

All outdoor storage of winery equipment shall be screened from the view of adjacent properties by a visual barrier consisting of fencing or dense landscaping. No item in storage is to exceed the height of the screening. Water and fuel tanks, and similar

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

structures, shall be screened to the extent practical so as to not be visible from public roads and adjacent parcels.

New utility lines required for this project that are visible from any designated scenic transportation route (see Chapter 18.106 of the Napa County Zoning Ordinance for designated roads) shall be placed underground or in an equivalent manner be made virtually invisible from the subject roadway.

10. RENTAL/LEASING:

No winery facilities, nor portions thereof, including but not limited to offices, kitchens, barrel storage areas, and warehousing space, shall be rented, leased, nor used by entities other than persons producing and/or storing wine at the on-site winery, except as may be specifically authorized in this use permit or pursuant to the Temporary Events Ordinance (Chapter 5.36).

11. COMPLIANCE WITH OTHER DEPARTMENTS AND AGENCIES:

The permittee shall comply with all applicable building codes, zoning standards, and requirements of County Departments and Agencies, including but not limited to:

Building Division Requirements

The Building Division as stated in their memo of October 14, 2007 (attached).

Fire Department Requirements

The Fire Department as stated in their memo of August 4, 2008 and the Exception to Napa County Road and Street Standards as stated in their separate memo of July 21, 2008. Please see their attached memos for details.

Public Works Department Requirements

The Public Works Department as stated in their memo of July 24, 2008 and the Exception to Napa County Road and Street Standards under a separated memo dated July 23, 2008. Please see their memos attached.

Environmental Management Department Requirements

The Department of Environmental Management as stated in their memo of July 10, 2008 (attached).

State Department of Fish and Game

The State Department of Fish and Game (Yountville) as stated in their memo of October 8, 2008.

Cal OSHA (for caves)

Cal OSHA as stated in their memo of October 21, 2008 (attached).

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

The determination as to whether or not the permittee has substantially complied with the requirements of other County Departments and Agencies shall be determined by those Departments or Agencies. The inability to substantially comply with the requirements of other County Departments and Agencies may result in the need to modify the approved use permit.

12. ***GRADING AND SPOILS:**

All grading and spoils generated by construction of the project facilities, including cave spoils, shall be disposed of per Public Works direction. All spoils piles shall be removed prior to occupancy. *The property owner shall provide a copy of a biological assessment in accordance with the Department of Fish and Game protocols and the California Endangered Species Act inclusive of all project areas and shall comply with all recommended measures in the assessment for avoidance of all sensitive biological resources. The biological assessment shall be submitted to the Planning Department prior to issuance of any building or grading permits for the winery. The property owner shall also provide a Streambed Alteration Agreement as required by Fish and Game prior to issuance of the grading permit for the road improvements. In the event avoidance of sensitive biological resources within the project area is infeasible, the property owner shall submit a request for a use permit modification to the Napa County Planning Department.

13. **WELLS:**

The permittee may be required (at the permittee's expense) to provide well monitoring data if it the Director of Environmental Management determines that water usage at the winery is affecting, or would potentially affect groundwater supplies or nearby wells. Data requested could include, but may not be limited to, water extraction volumes and static well levels. If applicant is unable to secure monitoring access to neighboring wells, onsite monitoring wells may need to be established to gage potential impacts on the groundwater resource utilized for the project proposed. Water usage shall be minimized by use of best available control technology and best water management conservation practices. In the event that changed circumstances or significant new information provide substantial evidence that the groundwater system referenced in the use permit would significantly affect the groundwater basin, the director of environmental management shall be authorized to recommend additional reasonable conditions on the permittee, or revocation of this permit, as necessary to meet the requirements of the Napa County Groundwater Ordinance and protect public health, safety, and welfare. That recommendation shall not become final unless and until the director has provided notice and the opportunity for hearing in compliance with the CountyCode section 13.15.070.G-K.

14. **NOISE:**

Construction noise shall be minimized to the maximum extent practical and allowable under State and local safety laws. Construction equipment muffling and hours of operation shall be in compliance with County Code Chapter 8.16. Equipment shall be

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

shut down when not in use. Construction equipment shall normally be staged, loaded, and unloaded on the project site. If project terrain or access road condition require construction equipment to be staged, loaded, or unloaded off the project site (such as on a neighboring road or at the base of a hill), such activities shall only occur between the hours of 8 AM to 5 PM. Exterior winery equipment shall be enclosed or muffled and maintained so as not to create a noise disturbance in accordance with the Code. There shall be no amplified sound system or amplified music utilized outside of approved, enclosed winery buildings.

15. **COLORS:**

The colors used for the roof, exterior walls and built landscaping features of the winery shall be limited to earth tones that will blend the facility into the colors of the surrounding site specific vegetation and the applicant shall obtain written approval by the Conservation, Development and Planning Department prior to painting the building. Highly reflective surfaces shall be prohibited.

16. **DUST CONTROL:**

Water and/or dust palliatives shall be applied in sufficient quantities during grading and other ground disturbing activities on-site to minimize the amount of dust produced. Outdoor construction activities shall not occur during windy periods.

17. **ARCHEOLOGICAL FINDING:**

In the event that archeological artifacts or human remains are discovered during construction, work shall cease in a 50-foot radius surrounding the area of discovery. The permittee shall contact the Conservation, Development and Planning Department for further guidance, which will likely include the requirement for the permittee to hire a qualified professional to analyze the artifacts encountered and to determine if additional measures are required. If human remains are encountered during the development, all work in the vicinity must be, by law, halted, and the Napa County Coroner informed, so that he can determine if an investigation of the cause of death is required, and if the remains are of Native American origin. If the remains are of Native American origin, the nearest tribal relatives as determined by the State Native American Heritage Commission would be contacted to obtain recommendations for treating or removal of such remains, including grave goods, with appropriate dignity, as required under Public Resources Code Section 5097.98.

18. **TRAFFIC**

Reoccurring and scheduled vehicle trips to and from the site for employees, deliveries, and visitors will not occur during peak (4-6 PM) travel times to the maximum extent possible. All road improvements on private property required per the Department of Public Works shall be maintained in good working condition.

19. **ADDRESSING**

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

All project site addresses shall be determined by the Conservation, Development and Planning Director, and reviewed and approved by the U.S. Post Office, prior to issuance of any building permit. The Conservation, Development and Planning Director reserves the right to issue or re-issue an appropriate situs address at the time of issuance of any building permit to ensure proper identification and sequencing of numbers. For multi-tenant or multiple structure projects, this includes building permits for later building modifications or tenant improvements.

20. **STORM WATER CONTROL**

For any construction activity that results in disturbance of greater than one acre of total land area, permittee shall file a Notice of Intent with the California Regional Water Quality Control Board (SRWQCB) prior to any grading or construction activity. All hazardous materials stored and used on-site that could cause water pollution (e.g. motor oil, cleaning chemicals, paints, etc.) shall be stored and used in a manner that will not cause pollution, with secondary containment provided. Such storage areas shall be regularly cleaned to remove litter and debris. Any spills shall be promptly cleaned up and appropriate authorities notified. Parking lots shall be designed to drain through grassy swales, buffer strips, or sand filters prior to any discharge from the impervious surface into a watercourse. If any discharge of concentrated surface waters is proposed in the any "Waters of the State," the permittee shall consult with and secure any necessary permits from the State Regional Water Quality Control Board. All trash enclosures must be covered and protected from rain, roof, and surface drainage.

21. **INDEMNIFICATION**

An indemnification agreement, in the form attached hereto, shall be signed and returned to the County within twenty (20) days of the granting of this approval.

22. **MITIGATION MEASURES:**

The permittee shall comply with all mitigation measures identified in the adopted Initial Study/Mitigated Negative Declaration and Mitigation Monitoring and Reporting Program prepared for the project.

23. **STREAM SETBACKS:**

Final plans submitted for building permit issuance shall include a site plan prepared by a qualified professional showing all streams, stream setbacks, existing and proposed improvements and slopes. No new construction or earthmoving activities have been proposed or approved within established stream setbacks as part of this application unless specifically enumerated in Section 1 (Scope), above. As determined by the Director of Conservation, Development and Planning, temporary construction fencing shall be placed at the stream setback line to prevent unauthorized encroachments. **Riparian areas shall be protected by construction fencing along the boundary of the riparian zone.**

EXHIBIT B

CONDITIONS OF APPROVAL CIMAROSSA WINERY USE PERMIT P07-00719-UP APN: 018-060-069

24. **AFFORDABLE HOUSING MITIGATION:**

Prior to County issuance of a building permit, the applicant shall pay the Napa County Affordable Housing Mitigation Fee in accordance with the requirements of County Code Chapter 15.60 or as may be amended by the Board of Supervisors.

26. **MONITORING COSTS:**

All staff costs associated with monitoring compliance with these conditions, previous permit conditions and project revisions shall be borne by the permittee and/or property owner. Costs associated with conditions and mitigation measures that require monitoring, including investigation of complaints, other than those costs related to investigation of complaints of non-compliance that are determined to be unfounded, shall be charged. Costs shall be as established by Board Resolution in accordance with the hourly consulting rate established at the time of the monitoring. Violations of conditions of approval or mitigations measures caused by the permittee's contractors, employees, and guests are the responsibility of the permittee.

The Planning Commission may implement an audit program if compliance deficiencies are noted. If evidence of compliance deficiencies is found to exist by the Planning Commission at some time in the future, the Planning Commission may institute the program at the applicant's expense (including requiring a deposit of funds in an amount determined by the Commission) as needed until compliance assurance is achieved. The Planning Commission may also use the data, if it is so warranted, to commence revocation hearings in accordance with section 18.124.120 of the County Code.

27. **TEMPORARY AND FINAL OCCUPANCY:**

All project improvements, including compliance with all applicable codes, conditions and requirements from all departments and agencies with jurisdiction over the project, shall be completed prior to granting of a Certificate of Final Occupancy by the County Building Official, which, upon granting, authorizes all use permit activities to commence. The County Building Official is authorized to grant a Temporary Certificate of Occupancy to allow specified limited use of the project, such as commencement of production activities, prior to completion of all project improvements. Marketing, Tours and Tastings are not typically authorized until grant of Final Occupancy, but exceptions can be requested due to extenuating circumstances and are subject to review and approval by the County Building Official and the Director of Conservation, Development and Planning. In special circumstances, departments and/or agencies with jurisdiction over the project are authorized as part of the Temporary Certificate of Occupancy process to require a security deposit or other financial instrument to guarantee completion of unfinished improvements.
