

2009 NAPA COUNTY WATERSHED SYMPOSIUM

Thursday May 21, 2009
8:30 am – 4:00 pm
Napa Elks Lodge
Napa, CA

Stewarding Napa County's Watersheds in a Changing World

What are the biggest drivers of change for natural resources in Napa County over the next 50 years?

How will natural resources be impacted by environmental, social, and economic changes?

How can current management policies respond to these changes and challenges?

Stay posted for more information!
