Dear Sir or Madam:

In accordance with guidance provided by the Napa County Planning Department, the Flea Market is providing a report regarding the conditions outlined in our modified use permit at the one-year anniversary.

At your convenience, the Flea Market is ready to meet with representatives from Napa County Sheriffs Department, Napa County Highway Patrol, American Canyon Fire Department and Napa County Planning Department. We feel that the conditions approved with our use permit have been effective and positive.

Annual report:

- The Flea Market ensures that every vendor adheres to the California State Board of Equalization requirements for seller's permits.
- The Flea Market ensures that all vendors adhere to Napa County's permits requirements and regulations including Napa County Department of Agriculture and Napa County Department of Environmental Services.
- The Flea Market has a contract for independent security guards using Black Talon Enterprises, Inc. and continues to use in-house security to ensure the safety of our patrons.
- Alcohol is limited to three drinks per person and a security guard is always present at our snack bar (beer sales location).
- The Flea Market regularly communicates with the Napa County Sheriffs Department to report suspicious activity, including gangs if such situations arise.

Please let us know if you have any questions or need additional information. Thank you for your continued support.

Sincerely,

Tom Harding
