

**PROJECT REVISION STATEMENT**

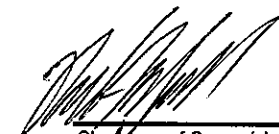

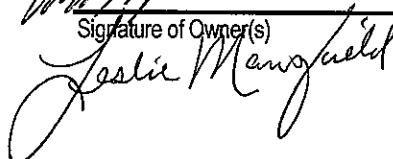

**Mansfield Winery**

**File No. P09-00171**

**I hereby revise my request to the above referenced project to include the measures specified below:**

1. All site work including rehabilitation, restoration, and re-use of the exterior of the historic structure shall comply with *The Secretary of Interiors Standards for the Treatment of Historic Properties and Guidelines for Preserving, Restoring, and Reconstructing Historic Buildings*.
2. Should the presence of asbestos be expected or discovered during the renovation, a contractor certified in Asbestos abatement shall be utilized to abate the asbestos. In the event it is discovered permits and or notifications with BAAQMD shall be obtained.
3. If during excavation contaminated soils and/or underground fuel tanks are discovered. The property owner shall immediately notify Environmental Management and obtain the required permits.
4. The waste water treatment for 1291 Conn Valley Road shall be installed and the existing seepage area shall be abandoned with the adequate approvals from the Napa County Environmental Management prior to site demolition work.

I understand and explicitly agree that with regards to all California Environmental Quality Act, Permit Streamlining Act, and Subdivision Map Act processing deadlines, this revised application will be treated as a new project, filed on the date this project revision statement is received by the Napa County Conservation, Development and Planning Department. For purposes of Section 66474.2 of the Subdivision Map Act, the date of application completeness shall remain the date this project was originally found complete.
