

Napa Executive Center Use Permit P08-00555

APNS 057-200-001SFAP & -009SFAP

PROJECT REVISION STATEMENT

I hereby revise my request to the above referenced project to include the measures specified below:

Mitigation Measure(s):

1. Associated with the plans for construction, the plans shall include reference to installation of bike storage facilities, reduced parking as proposed, depict location and reference to the new transit stop, reference the alternative transportation educational materials, the inclusion of the sunshade to be installed on the southern elevation, and depict on the DRAFT REVISED Climate Action Plan spreadsheet how the project will meet the objectives of reducing the project's "business as usual" greenhouse gas emissions by 39%.

Method of Mitigation Monitoring: This mitigation measure requires submittal of required building plans and/or specification prior to the issuance of a building permit and proof of installation prior to the authorization of final occupancy the Planning department will confirm the installation took place. If the measure is not complied with, no building permit or final occupancy will be issued.

2. Prior to County issuance of a Building Permit, the applicant shall submit payment of the Napa County's traffic mitigation fee in accordance with Board Resolution 08-20, as may be amended.

Method of Mitigation Monitoring: Payment of the traffic mitigation fee is required prior to the issuance of a building permit.

I understand and explicitly agree that with regards to all California Environmental Quality Act, Permit Streamlining Act, and Subdivision Map Act processing deadlines, this revised application will be treated as a new project, filed on the date this project revision statement is received by the Napa County Conservation, Development and Planning Department. For purposes of Section 66474.2 of the Subdivision Map Act, the date of application completeness shall remain the date this project was originally found complete.
