Agenda Item # 8C

IN RESPONSE TO PROPOSED BEAUTIFUL DAY WINERY

Thanks for listening attentively when I called re my concern for the endless number of wineries being given permission to build in Napa Co

I believe that the original General Plan was designed to assure that Napa be a sustainable Ag area

Instead it has become a haven for Event centers and sales rooms for Wineries.

The Up Valley is already showing that LIMITS must be set on the latter course of action Traffic alone...should there be a fire...would be a disaster if exiting the valley be necessary

I think the General Plan needs to be reviewed and updated with such concerns in mind  
In the meantime....ALL PETITIONS FOR NEW WINERIES AND/OR EXPANSION OF EXISTING WINERIES MUST BE PUT ON HOLD

Is it the members of our Board of Supervisors who are responsible for such a review and action?

If so I urge them to begin that process
