Mr Lederer,

Matt and Kami Smith from 1480 So. Whitehall Lane.

We oppose all franchising agreements with UVDS and further expansion of their services.

We believe that as a governmental oversight entity it is your obligation to act in a financially and environmentally responsible manner that best represents the communities you serve.

You do have a fiduciary responsibility.

Therefore a 3rd party review of UVDS as a business and RFP to validate or find best in class practices for our community seems reasonable and obvious.

Thank you,

Matt Smith
