EXECUTIVE SUMMARY

The ALUC bylaws mandate that at last regular meeting of the calendar year the Commission shall adopt its calendar of regular meetings for the following year. Attached is the proposed calendar of regular quarterly meetings. In keeping with past ALUC practices, Staff will make all efforts possible to schedule all ALUC business so that it can occur at scheduled regular meetings. However, Commissioners should be aware that it may be necessary to schedule special meetings on occasions in order to process projects within State prescribed processing times and to meet the needs of customers. Regular meetings may be cancelled in the event that no public hearing items are pending.

Please note that the Airport Advisory Committee is looking into Tuesdays in March to schedule their annual joint luncheon with the ALUC and Board of Supervisors. ALUC staff will forward information as that agenda and program come together.
