**BACKGROUND AND DISCUSSION**

Presentation of a proclamation to Napa County elementary school student, Ryan Kyote, in recognition of his contribution to his fellow classmates and in raising awareness on an important issue.

Earlier this year, Ryan used his saved allowance to pay off the lunch debt for his fellow third-grade classmates after learning about a student in Indiana who was denied lunch due to inadequate funds in their school lunch account. Inspired by Ryan's generosity, Governor Newsom recently signed legislation (SB 265), which ensures all students receive a state reimbursable meal of their choice even if students have unpaid meal fees.
