ENVIRONMENTAL IMPACT

ENVIRONMENTAL DETERMINATION: The proposed action is not a project as defined by 14 California Code of Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

BACKGROUND AND DISCUSSION

The authority of the Napa County Mental Health Board is established pursuant to the Bronzan-McCorquodale Act of the California Welfare and Institutions Code (commencing at section 5600 et seq). The purpose of the Mental Health Board is as follows:

- | To review and evaluate the County's mental health needs, services, facilities and special problems;
- | Review any County agreements entered into pursuant to Section 5650;
- | Advise the Napa County Board of Supervisors and the Napa County Mental Health Director as to any aspect of the County's mental health program;
- | Review and approve the procedures used to ensure citizen and professional involvement at all stages of the planning process;
- | Submit an annual report to the Napa County Board of Supervisors on the needs and performance of the mental health system of the County of Napa;
- | Review and make recommendations on applicants for appointment of the Napa County Mental Health Director. The Mental Health Board shall be included in the selection process prior to the vote of the Napa County Board of Supervisors;
- | Review and comment on the County of Napa's performance outcome data and communicate its findings to the California Mental Health Planning Council;
- | Assess the impact of the realignment of services from the state to Napa County on services delivered to clients and on the local community; and
- | Perform such additional duties as may be assigned to the Mental Health Board by the Napa County Board of Supervisors.

On December 7, 2010, Resolution 2010-150 approved a change to the bylaws of the Mental Health Board which included a change to the recruitment and selection of its members. The bylaws now read that five (5) members are selected and appointed directly by the Board of Supervisors and the remaining ten (10) members will first be interviewed and nominated by the Mental Health Board. This change was made to set the stage for increased recruitment of potential members and assist in streamlining and facilitating timely appointments to address chronic vacancies.

On September 25, 2012, Resolution 2012-139 approved changes to the bylaws (attached) of the Mental Health Board in order to further define the duties of the Chair and the Executive Committee; consolidate various subcommittees that support the efforts of the Mental Health Board; add language to clarify meeting attendance standards; clarify the process for handling vacancies on the Board; and to establish policies and procedures for matters not covered by the previous Mental Health Board bylaws.

There are currently three (3) vacancies on the Mental Health Board (MHB) due to resignations. The County Executive Office advertised the vacancies and received three (3) applications for consideration and interviews by the MHB. The Mental Health Board met in regular session on October 12, 2015 and approved the appointments of Terri Restelli-Deits to represent Interested and Concerned Citizen, and Kristine Haataja and Joseph Wessinger to represent the Family Member of Consumer category.

Appointments made today will make a full and complete board.
