BACKGROUND AND DISCUSSION

The Napa Valley Tourism Improvement District (NVTID) was established by the Napa County Board of Supervisors on June 15, 2010. The NVTID was formed under the provisions of the Property and Business Improvement District Law of 1994 (Streets and Highways Code Section 36600 et seq., hereafter "94 Act"). The NVTID is funded by a 2% assessment on gross short term (less than 30 days) room rentals on lodging businesses in both the incorporated cities and town, as well as the unincorporated areas. The assessment revenues promote tourism throughout Napa Valley, and a dedicated portion of .5%, or 25% of the total assessment is available to each of the local jurisdictions to promote tourism in each of the local jurisdictions

Visit Napa Valley has contracted with the NVTID since its creation to carry our the district's tourism promotion activities. Today, Visit Napa Valley will present a report on the annual activities of the NVTC, as required by Agreements 8442 and 7492.
