NAPA COUNTY BOARD OF SUPERVISORS Board Agenda Letter

TO: Board of Supervisors

FROM: Nancy Watt - County Executive Officer
County Executive Office

REPORT BY: Leanne Link, Assistant County Exec Officer - 707-253-4406

SUBJECT: Affirmation of Local Emergency related to the South Napa County Earthquake and Termination of the Lake Berryessa Estates Local Emergency

RECOMMENDATION

County Executive Officer/Director of Emergency Services requests the following actions:

1. Adoption of a Resolution terminating the Proclamation of Local Emergency and a Declaration of Local Emergency at Berryessa Estates ratified by the Board of Supervisors on August 12, 2014; and
2. Affirmation of Resolution No. 2014-107 extending the Proclamation of Local Emergency due to the South Napa County Earthquake ratified by the Board of Supervisors by Resolution No. 2014-100 on August 24, 2014.

EXECUTIVE SUMMARY

Government Code section 8630 and Napa County 2.80.060 (A)(2) empower the designated Director of Emergency Services to proclaim the existence or threatened existence of a local emergency when the County or a portion of the County is affected or likely to be affected by a public calamity and the Board is not in session, subject to confirmation by the Board of Supervisors within seven days. Further, California Health and Safety Code confers upon the Local Health Officer emergency powers necessary to protect public health and safety. The Board of Supervisors must ratify the proclamation and declaration and, if conditions warrant, continue to proclaim and declare until such time that the emergency conditions no longer exist.

By proclamation and declaration on Thursday, August 7, 2014, the Director of Emergency Services, in the absence of the Napa County Executive Officer, and the Public Health Officer proclaimed the existence of a local emergency due to a shortage of potable water for residents in Unit 2 of Berryessa Estates. Lake Berryessa Resort Improvement District (LBRID) provides water for approximately 165 residences/businesses in Unit 2 in the Berryessa Estates development. The declaration of a local emergency and the declaration of a local health

emergency were ratified by the Board of Supervisors on August 12, 2014. The Board of Supervisors extended these declarations of emergency on September 9, 2014.

Napa County has been informed that emergency repairs of the District's water intake facility are now complete and the District's water supply is no longer in peril. The District has terminated its declaration of emergency relating to the failure of the water intake facilities.

At 3:20 a.m on Sunday, August 24, 2014, the County of Napa experienced a magnitude 6.0 earthquake that caused extensive damaged throughout the southern and central parts of the County. At an emergency meeting of the Board of Supervisors on August 24, 2014, the Board adopted a proclamation of a local emergency, allowing for additional resources to be made available to assistant in emergency response and recovery. The Board of Supervisors extended this proclamation of local emergency on September 9, 2014.

State and federal agencies have performed damage assessments, and the Governor has requested a Presidential Disaster Declaration which has been issued. Efforts continue to assess damage and perform recovery activities. It is recommended that the Board of Supervisors extend the proclamation of local emergency for an additional 30 days.

PROCEDURAL REQUIREMENTS

1. Staff report.
2. Public comments.
3. Motion, second, discussion, and vote on the item.

FISCAL IMPACT

Is there a Fiscal Impact?	Yes
Is it currently budgeted?	No
What is the revenue source?	Due to the declaration of local emergency for the South Napa County earthquake, the County may be eligible for funding to mitigate emergency activities.
Is it Mandatory or Discretionary?	Mandatory
Is the general fund affected?	No
Future fiscal impact:	The South Napa County emergency declaration is assumed to be one-time event and the fiscal impact of the current situation is not expected to extend past the current fiscal year.
Consequences if not approved:	If the affirmation to extend the South Napa County emergency declaration is not approved, the County may not be able to obtain Federal and/or State funds to provide public and individual assistance.

Additional Information:

ENVIRONMENTAL IMPACT

ENVIRONMENTAL DETERMINATION: The proposed action is not a project as defined by 14 California Code of

Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

BACKGROUND AND DISCUSSION

Government Code section 8630 and Napa County 2.80.060 (A)(2) empower the designated Director of Emergency Services to proclaim the existence or threatened existence of a local emergency when the County or a portion of the County is affected or likely to be affected by a public calamity and the Board is not in session, subject to confirmation by the Board of Supervisors within seven days. Further, California Health and Safety Code confers upon the Local Health Officer emergency powers necessary to protect public health and safety. The Board of Supervisors must ratify the proclamation and declaration and, if conditions warrant, continue to proclaim and declare until such time that the emergency conditions no longer exist.

By proclamation and declaration on Thursday, August 7, 2014, the Director of Emergency Services, in the absence of the Napa County Executive Officer, and the Public Health Officer proclaimed the existence of a local emergency due to a shortage of potable water for residents in Unit 2 of Berryessa Estates. Lake Berryessa Resort Improvement District (LBRID) provides water for approximately 165 residences/businesses in Unit 2 in the Berryessa Estates development. The declaration of a local emergency and the declaration of a local health emergency were ratified by the Board of Supervisors on August 12, 2014. The Board of Supervisors extended these declarations of emergency on September 9, 2014. There are currently 165 active connections served by this water system. The County has been informed that emergency repairs of the District's facilities are now complete and that the conditions of extreme peril caused by the emergency are now deemed to be within the control of the normal protective services, personnel, equipment and facilities of the District and the County. Staff is recommending termination of Proclamation of Local Emergency and if adopted will forward a copy of the Resolution to the Secretary of the California Emergency Management Agency.

At 3:20 a.m on Sunday, August 24, 2014, the County of Napa experienced a magnitude 6.0 earthquake that caused extensive damaged throughout the southern and central parts of the County. At an emergency meeting of the Board of Supervisors on August 24, 2014, the Board adopted a proclamation of a local emergency, allowing for additional resources to be made available to assist in emergency response and recovery. The Board extended this proclamation of local emergency on September 9, 2014.

State and federal agencies have performed damage assessments, and the Governor has requested a Presidential Disaster Declaration. Efforts continue to assess damage and perform recovery activities. It is recommended that the Board of Supervisors extend the proclamation of local emergency for an additional 30 days.
