BACKGROUND AND DISCUSSION

The term for the Napa County representative on the Napa County Mosquito Abatement District Board of Trustees

expires December 31, 2014. The County Executive Office advertised for the position and received one request for reappointment from the incumbent, Frank Cabral. Attached is a letter from the Napa County Mosquito Abatement District Manager, Wesley Maffei, requesting the reappointment of Mr. Cabral to the District Board.

Mosquito abatement districts are formed pursuant to the laws found in the California Health and Safety Code Division 3, Chapter 1, Section 200 et. seq. These laws, also known as the Mosquito Abatement Act of 1915, allow for local municipalities or counties to form the Districts. Napa County Mosquito Abatement District (Napa County MAD) was formed in 1925 to minimize the effects of the County's mosquito population. Napa County MAD currently services the entire County. The District has a staff of nine full time employees and is funded by both ad valorem property tax and benefit assessment revenues.

The Mosquito Abatement District Board of Trustees consists of six (6) members. There is one member from each of the Cities and Town in the District (American Canyon, Calistoga, Napa, St. Helena, and Yountville) and one member representing the County.
