There are currently three (3) openings on the Napa Valley Workforce Investment Board (NVWIB). The County Executive Office has recruited for these openings and received the two applications listed above. The Workforce Investment Board has reviewed the applications and recommends the appointments.

The NVWIB is a thirty-one (31) member, private sector led Board. The purpose of the NVWIB is to ensure the involvement of the business and industrial community, including small businesses, minority business enterprises, education, labor organizations, community-based organizations, economic development agencies and one-stop delivery system partners in workforce investment activities. The NVWIB also oversees a local cooperative relationship with the County that effectively satisfies the labor demand needs of the business community and enhances the economic well being of individuals in need of workforce investment services.

The County Executive Office will continue to recruit for the one remaining vacancy.
