BACKGROUND AND DISCUSSION

Due to an expiration of term there is currently one (1) opening for a public member representing the County of Napa to serve on the Napa Sanitation District Board of Directors. The County Executive Office has recruited for the position and received one (1) reappointment request from Charles W. Shinnamon and one (1) new application from Harry V. Martin.

The Napa Sanitation District is a local special district that provides wastewater collection, treatment and disposal services to the residents and businesses in the City of Napa and surrounding unincorporated areas of Napa County. The Board of Directors of the District is composed of five (5) members. Three (3) are elected officials. Two (2) of the elected officials are Council Members from the City of Napa and the third is one (1) Member from the Board of Supervisors. Mark Luce is currently representing the Board of Supervisors chair. There are also two public members - one appointed by the City of Napa and one appointed by the Board of Supervisors. The current opening is for the one (1) public member representing the County of Napa.

The public members participate in the review of the various District-wide programs including the operation, maintenance and improvements to the District's sewage facilities, setting of annual sewer charges and rates, and the administration of the District's affairs including adoption of the District annual budget. Public members must be residents and/or property owners within the jurisdictional boundaries of the Napa Sanitation District and shall not be an officer or employee of the County, the City of Napa or the District. The public member shall have significant knowledge and/or professional experience in public/private engineering, land use/environmental planning and budget/finance or administration.
