BACKGROUND AND DISCUSSION

On November 1, 2005 the Board of Supervisors amended the membership on the Watershed Information Center

and Conservancy of Napa County (WICC) so that instead of two city members nominated by the City Selection Committee, there shall be one city/town council member representative from each city/town in the County nominated by their respective city/town council. There will no longer be an alternate city/town member on the WICC.

A letter has been received by the City of St. Helena recommending the appointment of Councilmember Eric Sklar as the City's representative on the WICC.

The WICC is charged with guiding and supporting community efforts to maintain and improve the health of Napa County's watershed lands by: coordinating and facilitating partnerships among the individuals, agencies, and organizations involved in improving watershed health and restoration; supporting watershed research activities; and, providing watershed information and education through an interactive website. The WICC considers itself a part of the solution to watershed issues and concerns guided by a set of adopted principles that embrace political neutrality, information collection and dissemination, collaboration, cooperation, and funding development.

The Board of Directors of the Watershed Information Center and Conservancy of Napa County (WICC) consists of seventeen (17) regular members and one (1) alternate member representing the following areas:

1. One (1) member nominated by the Napa County Land Trust from among the Land Trust's Board of Directors;
2. One (1) Director or Associate Director nominated by the Napa County Resource Conservation District;
3. One (1) representative from the Natural Resource Conservation Service;
4. Two (2) members and one (1) alternate member of the Napa County Board of Supervisors;
5. One (1) member of the Napa County Conservation, Development and Planning Commission;
6. Five (5) Council Members from Napa County Cities and Town; and,
7. Six (6) Napa County residents from the public at large representing environmental, agricultural, development and community interests.

The four other City members are Mark Van Gorder from the City of Napa, Lori Luporini from the City of American Canyon, Steven Rosa from the Town of Yountville and Karen Slusser from the City of Calistoga.
