Presentation of a proclamation declaring March, 2006 as "Professional Social Work Month" in Napa County.

### **EXECUTIVE SUMMARY**

This proclamation recognizes professional social workers for their commitment and dedication to individuals, families and communities throughout Napa County.

### **FISCAL IMPACT**

### **ENVIRONMENTAL IMPACT**

ENVIRONMENTAL DETERMINATION: The proposed action is not a project as defined by 14 California Code of Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

### **BACKGROUND AND DISCUSSION**

March was officially designated as National Social Work Month in 1984 by the White House. Each March, organizations that employ social workers are encouraged to recognize the dedicated efforts and hard work of professional social workers. HHS employs social workers across all of its disciplines: child welfare, services to older adults, public assistance, mental health and substance abuse services. These staff assist the Napa

community on a daily basis by helping those in need. The work of Napa County's social workers makes a difference in the quality of life within our community.
